

PRAIRIE IN BLOOM

Black Swamp Conservation & Restoration Area

Visit the prairie at the Black Swamp Conservation Area <<http://black-swamp.org/Prairie.shtml>> on Sugar Ridge across from Eastwood Highschool. A 1-mile mowed trail is open to the general public on Monday, Wednesday and Fridays from noon to sunset from now until Labor Day. Enjoy a stroll through a meadow of wildflowers in full bloom. We only request that you treat all plants and animals with respect. The prairie provides nesting shelter for many birds and the wetland restorations are new and fragile - we therefore ask that you remain on the trail.

Sugar Ridge Prairie <<http://SugarRidgePrairie.com>> 4825 Sugar Ridge Rd, Pemberville OH 43450
